

# COMMUNITY YOUTH PROGRAMS

*A Home with Structure and Support  
For Older Teens*

---

## **Are you or do you know someone having trouble at home, at school or in the community?**

- **Community Youth Programs is a home for older teens who are unable to live with their family and unprepared for independence.**
  - **We concentrate on improving family and peer relations, school performance, employment, self-awareness and behaviours that are productive.**
  - **With your effort and our support you will have the opportunity to succeed.**
- 

### **HOW TO REFER:**

Call Lorraine at (905) 845-9718 and she will answer your questions and assist you through the process.

### **WHO CAN REFER:**

We accept referrals from many sources: Parents, other agencies, schools, the police, medical professionals, youth justice services, the community and self-referrals.
