The **Ministry of Children and Youth Services** requires that parents contribute to the care of their child while living in Ministry funded homes such as C.Y.P. We are required to collect such contributions as a portion of our operating budget and, as a result, *we rely on these funds.*

As discussed at the time of admission, the cost of our service is approximately \$150.00 per day per child. Community Youth Programs is a non-profit organization. We are funded by the Ontario Ministry of Children and Youth Services, the United Way of Oakville and the users of the service.

In order to continue to provide this service families are required to contribute to the care of your child. We will supply care, counselling and case management. We will also provide food, shelter and basic hygiene and cleaning supplies.

The family provides the following:

- \$75.00 per week (\$10.70 per day or \$325 per month).
- A monthly bus pass or tickets prior to the first of each month.
- Clothing and other personal needs.
- Arrange dental appointments as needed and have them billed to you.
- Supply medication as needed.
- A personal needs fund to be used for school fees and other small items not provided by C.Y.P.

Please make your cheque payable to Community Youth Programs. Please contact me if you have any questions or concerns or if you are unable to meet this obligation.
